Also enclosed are the original and three (3) copies of the tariff schedules for the General Rate Application in Case No. IPC-E-05-28 that the Company proposes become effective on November 28, 2005. For the convenience of the Commission, I have also enclosed a copy of the proposed tariff schedules in legislative format.

Copies of the Company's press release and bill stuffer regarding the General Rate Filing are also enclosed.

The Company will contact all parties in the Company's last general rate case, Case No. IPC-E-03-13, and offer to provide copies of this filing on request.
