RE: **APPROVAL OF IDAHO POWER SCHEDULES 23 AND 81 IN CASE IPC-E-12-29**

On April 16, 2013, Idaho Power filed conforming tariffs for Commission approval. The revisions were filed pursuant to Order No. 32776 in Case IPC-E-12-29. In that Case, the Company applied for temporary suspension of Schedules 23 and 81 (A/C Cool Credit and Irrigation Peak Rewards). The case resulted in a Commission-approved Settlement Stipulation in which all parties agreed to the Stipulation.

STAFF REVIEW

Staff has reviewed the revised Schedules and finds them consistent with Commission Order. Staff recommends Commission approval with an April 1, 2013 effective date because that was the date contained in the Stipulation.

COMMISSION DECISION

Does the Commission wish to file Schedules 23 and 81 effective April 1, 2013?
