

Updated March 2016

## CENTURYLINK PAY STATION INFORMATION

### Two options:

- 1) Use the following website to find a retail location that accepts customer payments. (As of March 2016, when using this link, the only location in Idaho that shows accepting payment is in Meridian, that may or may not change.)  
<http://storelocator.centurylinkapps.com/> *(Tip: When starting the search, select the box for "Accepts Payments" to view valid locations.)*
- 2) Contact CenturyLink's customer service center (800-244-1111). Customer Service can search for non-CenturyLink stores that will accept a payment for CenturyLink accounts (e.g. Check 'N Go, etc) close to the customer's zip code.
