RE: Broadband Tax Credit for January 1, 2014 – December 31, 2014 Investment – Frontier Communications Northwest Inc.

Dear Ms Jewell:

Enclosed for filing with the Commission is the application of Frontier Communications Northwest Inc. ("FC Northwest") for a broadband tax credit for January 1, 2014 – December 31, 2014. FC Northwest requests that the Commission find the Company eligible to receive an Idaho tax credit and that the broadband equipment installed in 2014 meets the definition of qualified broadband equipment as set out in Idaho Code 63-30291(3)(b).

1. **Name and address of the applicant including a contact person in the event that there are questions regarding the application and its content.**

   Kim Douglass, 805 Central Expressway South, Suite 200, Allen, TX 75013

2. **Indicate whether the applicant is a telecommunications carrier, a commercial mobile service carrier, a cable or video provider, a satellite carrier or other type of wireless carrier.**

   FC Northwest is a telecommunications carrier.

3. **Identify the area or location where the equipment is installed in Idaho.**

   The equipment is installed in: Bayview, Bonners Ferry, Coeur d'Alene, Hayden Lake, Hope, Kellogg, Moscow, Orofino, Pinehurst, Plummer-Worley, Post Falls, Potlatch, Priest River, Rathdrum, Sandpoint, Spirit Lake and Wallace.

4. **Describe the type of broadband services offered to the public in Idaho.**

   Asymmetrical Digital Subscriber Line (ADSL).

5. **State the network transmission rate in bits per second at which subscribers to the relevant broadband services can send and receive.**

   Up to 640 Kbps send and 6 Mbps receive.

6. **Provide the specific list of the equipment types that the application is requesting that the Commission determine is qualified broadband equipment" as defined in Idaho Code 63-30291(3)(b). List the brand, manufacturer, model numbers, and or other distinguishing features of the installed equipment.**

   Please see attached.

7. **Quantify the percentage and number of potential Idaho customers that could be served with the broadband equipment and the percentage and number of non-Idaho subscribers that will be/could be served by the broadband network.**

   Broadband is now available to approximately 84,221 Frontier Idaho customers. This is over 80% of the total customer base.

8. **Provide the dates and time periods that the broadband equipment was installed in Idaho.**

   January 1, 2014 – December 31, 2014.

9. **Provide a written description (including the basic schematics or general drawings) of the relevant broadband network including a description of how the installed equipment is an "integral part" of the broadband network.**

   The equipment placed on the attached work orders was all placed into service within the physical borders of the State of Idaho. It is an integral part of a network that permits broadband signaling to occur.

10. **Enclose a statement certifying that the applicant has read the applicable statutes for broadband investment income tax credit and the applicant believes that the subject broadband equipment qualifies for the tax credit under Idaho Code 63-30291.**

Please see the attached statement of certification.

If you have any questions concerning this filing, please contact me at 972-908-4415.

Sincerely,

Kim Douglass

Kim Douglass
Manager
Compliance – Regulatory Affairs

IDAHO BROADBAND CERTIFICATION

I hereby certify that representatives of Frontier Communications Northwest Inc. (the applicant) have read the applicable statutes for the broadband investment tax credit, and the applicant believes that the subject broadband equipment qualifies for the tax credit under Idaho Code 63-3029I.

Dated: December 18, 2015
