RE: IDAHO POWER TARIFF ADVICE NO. 15-12
REVISION TO SCHEDULE 95 (95-1), ADDITION OF CITY OF EDEN
REVISION TO SCHEDULE 95 (95-2), CITY OF POCATELLO

BACKGROUND

On October 1, 2015, Idaho Power Company submitted Tariff Advice No. 15-12 to revise Idaho Power's Electric Service Schedule No. 95, Adjustment for Municipal Franchise Fees, for the City of Eden and the City of Pocatello.

The revision adds the City of Eden as a new municipality, which includes the ordinance number and a franchise fee of one percent. The proposed franchise fee agreement was approved by the City of Eden on September 14, 2015 for a term of 20 years and accepted by Idaho Power on September 22, 2015. The franchise fee imposes a one percent fee from the sale of electricity within the corporate limits of the City of Eden and remains in effect until the end of the twenty-year period unless amended in the manner set forth by the City of Eden in Ordinance No. 2015-3.

Tariff Advice No. 15-12 also updates the ordinance number for the City of Pocatello, but does not change the existing one percent franchise fee. The proposed franchise fee agreement was approved by the City of Pocatello on August 20, 2015 for a term of 20 years and accepted by Idaho Power on September 29, 2015. The franchise fee imposes a one percent fee from the sale of electricity within the corporate limits of the City of Pocatello and remains in effect until the end of the twenty-year franchise agreement unless amended in the manner set forth by the City of Pocatello in Ordinance No. 2956.

Idaho Power requests an effective date of November 2, 2015 for the Schedule 95 revisions.

STAFF ANALYSIS

Staff has reviewed the additions and modifications and recommends the Commission approve the revised Schedule 95 tariff sheet with an effective date of November 2, 2015.

COMMISSION DECISION
