RE: ROCKY MOUNTAIN POWER TARIFF ADVICE NO. 16-04
REVISION TO THE ELECTRIC SERVICE SCHEDULES INDEX

On April 20, 2016, PacifiCorp dba Rocky Mountain Power submitted Tariff Advice 16-04 to revise Rocky Mountain Power's Electric Service Schedules Index. In Order No. 33357, the Commission directed PacifiCorp to file a tariff schedule outlining the Company's negotiating process under the Public Utility Regulatory Policies Act for 1978 (PURPA). Order No. 33474 adopted the Company's proposed Schedule No. 38 (Qualifying Facility Avoided Cost Procedure). Schedule No. 38 was subsequently added to the Company's tariff but the Schedules Index was not updated to reflect the inclusion of the new tariff.

Rocky Mountain Power requests that the proposed revision to the index become effective April 15, 2016, consistent with the effective date of Schedule No. 38.

STAFF RECOMMENDATION

Staff reviewed the revision to the Electric Service Schedules Index. Based on its review, Staff recommends approval of Rocky Mountain Power's proposed change to its tariff.

COMMISSION DECISION

Does the Commission wish to approve the changes set forth in this Tariff Advice with an effective date of April 15, 2016?
