**Subject: Request for Extension**

On January 22<sup>nd</sup>, Atlanta Power filed Case No. ATL-E-08-01 requesting authority to borrow funds. Since that time the Company has had discussions with the PUC Staff regarding the terms of the loans. The Staff has requested details of the terms and conditions of the longer term loan. Specifically Staff has asked about any lock-box arrangements associated with this loan. The principal offering to make this loan has been out of the area and as of this date has been unavailable to execute a detailed loan document.

Atlanta Power and the lender should be able to execute a contract loan within a week and therefore the Applicant in this case is requesting an extension to March 1, 2008 to complete the approval process.

Thank you for your attention to this matter.

Sincerely,

*Israel Ray*  
Israel Ray, President
