--	---

Atlanta Electrical Consumer Co-op, Inc. petitioned to intervene in this case on May 15, 2019, pursuant to Rules of Procedure 71 through 75 of the Idaho Public Utilities Commission, IDAPA 31.01.01.071-.075.

**FINDINGS OF FACT**

We find that no party timely opposed this Petition to Intervene.

We further find that based on the pleadings and other documents filed in this case, intervention by this party would serve the purposes of intervention as described by Rule 74 of the Rules of Procedure and should be granted.

We further find that intervention on reconsideration is not standard at this Commission, but is justified in this case because of the unique facts, the nature of the settlement negotiations occurring during reconsideration, and the language in our Final Order requesting interested parties to intervene.

**ORDER**

IT IS THEREFORE ORDERED that the Petition to Intervene filed by Atlanta Electrical Consumer Co-op, Inc. is hereby granted.

IT IS FURTHER ORDERED that all parties in this proceeding serve all papers hereafter filed in this matter on all parties of record. The Intervenor is represented by the following for purposes of service:
