## ERRATA:

1. The last sentence on page 5 contained a typographical error and now reads as follows:

“The overall growth rate of retail electricity sales averages **3.4%** per year over the planning period.”

2. Table 3.1 on page 17 has been revised based on the results of updated DSM runs in AURORA per discussions with the External Energy Efficiency Board.
3. Chart 7.8 on page 41 contained a typographical error that has been corrected. The legend has been changed from “No Additions” to “No Action.”
4. The first sentence of the third paragraph on page D-3 of the Technical Appendices contained a typographical error and now reads as follows:

“The Company has focused its analytical efforts on understanding the impacts of commercially available and relatively low cost **demand**-side resource options.”

5. Table Q.2 on page Q-8 of the Technical Appendices has been revised based on the results of updated DSM runs in AURORA per discussions with the External Energy Efficiency Board.

Please direct any questions to Jason Fletcher at (509) 495-8626.
