2. This Intervenor, the Exergy Development Group of Idaho (Exergy) is an Idaho limited liability corporation. Exergy claims a direct and substantial interest in this proceeding in that it is a developer of wind powered generating projects as well as other types of renewable energy projects the output of which may be sold to Avista. Exergy's ability to continue its business in Idaho may be affected by the outcome of this proceeding.

3. This Intervenor intends to participate herein as a party, and if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

5. Without the opportunity to intervene herein, this Intervenor would be without any means of participation in this proceeding which may have a material impact on its continued ability to develop wind powered electric generating projects in the State of Idaho.

6. Granting this Intervenor's petition to intervene will not unduly broaden the

issues nor will it prejudice any party to this case.

WHEREFORE, the Exergy Development Group of Idaho respectfully requests that this Commission grant its Petition to Intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, present argument and to otherwise fully participate in these proceedings.

DATED this 22nd day of June 2007.
