Re: AVU-E-07-04

Dear Ms. Jewell:

On June 2007 Avista Corporation dba Avista Utilities (Avista; Company) filed an Application in Case No. AVU-07-04 requesting authority to offer residential and commercial demand response programs in portions of Sandpoint and Moscow for a two-year period. In Order No. 30365, the Commission approved the two-year pilot effective July 15, 2007. The actual pilot program began on January 1, 2008 once all the equipment was installed and ready to implement the load management programs. The pilot two-year period has concluded on January 1, 2010. The Company is currently compiling the data and results of the pilot study and intends to make its compliance summary report filing with the Commission no later than March 1st 2010.

If you have any questions regarding this letter, please let me know or you can contact Bruce Folsom at 509-495-8706.
