We are asking  
you who are  
supposed to be  
working for Idaho  
citizens to stop  
Arista from getting  
yet another rate  
hike.

They can cut back  
just as we are to  
meet expenses. Some  
of us are already  
on a diet of rice,  
beans & ramen  
noodles to pay  
for their greed.

Evil M. Arista  
family, friends  
& associates
