OF AVISTA CORPORATION FOR) CASE NO. AVU-E-07-09
AUTHORITY TO IMPLEMENT A PILOT)
PROGRAM FOR REMOTE DISCONNECTS) NOTICE OF VACATED
AND RECONNECTS) PUBLIC WORKSHOPS
_____)**

On August 31, 2007, Avista Corporation ("Avista") filed an Application seeking authority to implement a one-year pilot program for the remote disconnection and reconnection of customers to its system. The Company also requested a limited waiver of Utility Customer Relations Rule 311.03 and 311.04 (IDAPA 31.21.01.03-.04) related to the final customer notification prior to disconnection. The Company requested that the Commission process its Application through Modified Procedure. IDAPA 31.01. 01.201-.204.

On December 4, 2007, the Commission deferred approval of the Company's pilot program and ordered that two public workshops be held in Lewiston and Coeur d'Alene, Idaho "to further refine and develop the details of the pilot program." Order No. 30471.

YOU ARE HEREBY NOTIFIED that the public workshops previously scheduled for Tuesday, February 5, 2008 and Wednesday, February 6, 2008 are vacated.

DATED at Boise, Idaho this 25th day of January 2008.
