To whom it may concern:

I wish to submit a complaint on the proposed increase electric rates for Idaho Avista customers.

I see this increase as inappropriate in these times of economic recession. People are losing their jobs, taking pay cuts, defaulting on their mortgages, and many are becoming destitute. This is NOT the time to increase their utility bills!!!

Avista is already overcharging their customers in this depressed area of the U.S.

Please do not allow this increase.

Sincerely,

James R. McMurdie

To whom it may concern:

I wish to submit a comment on the proposed increase electric rates for Idaho Avista customers.

I see this increase as inappropriate and unfounded. Rates are unaffordable for most Idaho residents as it is.

Please do not allow this increase.
