Dear President and Commissioners

Thank you for sending the report on Case Nos. AVU-E-10-01, and AVU-G-10-01. With the unemployment rate at 9.6%, and one in every 7 American's are living below the poverty level, (information from the news media). I believe the commissioners should have given more consideration to the rate payers of Avista, then the stock holders.

Sincerely

V. L. Green
