RE: Compliance Filing (Case No. AVU-E-15-06)

Dear Ms. Jewell:

In Order No. 33350 in Case No. AVU-E-15-06, the Commission approved the Joint Petition of Avista Corporation ("Avista") and Clearwater Paper Corporation ("Clearwater") related to Amendment No. 1 to the Electric Service Agreement. As a part of the Order, at page 3, the Commission stated "that when Avista purchases Incremental Energy from Clearwater under the terms of the amended Agreement, Avista shall report such purchases to the Commission Secretary within 14 days of the purchase transaction and provide the details of the transaction."

In compliance with the Commission's directive, detailed below are the terms of the first transaction which occurred on September 16, 2015. The purpose of the transaction was a test so that Avista could determine the magnitude of the generation increase we could expect to see as well as the communications process between the companies.

Transaction No. 1 (Deal #111081)

Transaction Date – September 16, 2015

Term – One hour ending 10 AM

Purchase Amount (MW) – 10 Megawatts

Purchase Amount (MWh) – 10 Megawatt-hours

Purchase Price - \$55/MWh

Total Purchase - \$550
