UTILITIES COMMISSION

Post Falls, Id. 83854
Commissioner of Utilities
P.O. Box 83720

Please tell us where and when
it is going to End? They say
they need these raises to improve
our service, but we still have the
old service of four years ago;
and the only improvement is the
CEO's and Boards increase
in money!

Avista, has had more pay
raises than those of us on fixed
income. Why should we have
to be cold in the winter because
we only have #154's for our light
Bill! Where do we get a raise
to pay more?

Please Stop Avista's Madness of

thinking they can put their
"Wants" on the backs of the
low income, older folks of
Idaho State - Say NO -
NO MORE

Thank You
Michael Magee
