Name of Utility Company: Avista
Comment: I am writing to express our opposition to the proposed purchase of Avista by Hydro One, a Canadian company.

Our US power companies are part of our national security. Power is integral to our daily lives as well as our national security.

Selling Avista to a company formerly owned by the Canadian government goes against all common sense. Regardless of our friendly relationship with Canada, we could see Avista sold to the highest bidder in the future, exactly as happened with Uranium One.

Please register our opposition to the sale of our US utility company Avista.

Sincerely,
Samuel and Kerry Gridley
