Comment: I very strongly object to Hydro One, a foreign energy company, purchasing Avista. This purchase will cause our electricity rates to sky rocket just as other Hydro One aquisitions have resulted in. They are very politically progressive as a company and will put all of it's U.S. customers in the poor house. Do some research as to their business practices. Brutal greed and nothing but.
Stop this sale please.

Comment: I object to the sale/merger of Avista Utilities to the Canadian utility, HydroOne. We have been WWP/Avista customers in Washington and Idaho for 50 years and resist this change with its unknown consequences. We should not be subjected to the uncertain, long-term regulations, standards, and attitudes of a foreign public utility.
