 IDAHO PUBLIC  
 UTILITIES COMMISSION

August 10, 2006

Jean Jewell  
 Secretary  
 Idaho Public Utilities Commission  
 472 W. Washington St  
 Boise, ID 83702

Dear Ms. Jewell:

Please accept this request for copies of utility responses to the Commission pursuant to the Commission's Order in GNR-E-06-02 seeking utility feedback on possible new PURPA standards. As the Idaho representative for the NW Energy Coalition, I expect the Coalition and our Idaho members will be involved in this docket, and as a result I would appreciate being provided with copies of all three utility responses to the questions contained in the Commission order and being included on the Commission Service List in GNR-E-06-02.

Depending on how the PUC intends to provide interested parties with the utility responses, my preference would be via e-mail. My e-mail and postal addresses are listed below.

Thanks so much for your help, and best regards,

Ken Miller
