Pursuant to Rule 71 of the Idaho Public Utilities Commission's Rules of Practice and Procedure, IDAPA 31.01.01.71, Dynamis Energy, LLC ("Dynamis Energy") petitions the Idaho Public Utilities Commission (the "Commission") for leave to intervene. In support of this Petition, Dynamis Energy states as follows:

1. The name and address of Dynamis Energy is:

Dynamis Energy, LLC
c/o C. Lloyd Mahaffey, CEO
776 E. Riverside Drive, Suite 150
Eagle, ID 83616

2. Dynamis Energy will be represented in this proceeding by Williams

3. Dynamis Energy is actively engaged in development of municipal solid waste to energy projects in Idaho. The Joint Petition will have a material and potentially adverse impact on Dynamis Energy's ability to negotiate power purchase agreements with Idaho investor owned utilities.

4. Dynamis Energy has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by a Commission determination made in connection with these proceedings. Dynamis Energy intends to participate as a party in these proceedings and, if necessary, introduce evidence, cross-examine witnesses, call and examine witnesses and be heard in argument.

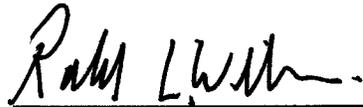

5. Without the opportunity to intervene herein, Dynamis Energy would be without a manner or means of participating in the lawful determination of issues presented in the Joint Petition and which will have a material impact on Dynamis Energy. Granting this petition to intervene will not unduly broaden the issues nor prejudice any party in this case.

WHEREFORE, Dynamis Energy respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding and to appear and participate in

all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, cross-examine witnesses, present argument, and to otherwise fully participate in the proceedings.

Dated this 13 day of December, 2010.

Respectfully submitted,
