3. Interconnect Solar is an Idaho Limited Liability Company, duly formed and registered to do business in Idaho and actively engaged in development of the solar energy project in Owyhee County, Idaho. The Joint Petition will have a direct impact on Interconnect Solar and a potentially chilling and substantial affect on its ability to finalize power purchase terms and conditions with Idaho Power Company.

4. Interconnect Solar has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with these proceedings. Interconnect Solar intends to participate as a party in these proceedings and, if necessary, introduce evidence, cross-examine witnesses, call and examine witnesses and be heard in argument.

5. Without the opportunity to intervene herein, Interconnect Solar would be without a manner or means of participating in the lawful determination of issues presented in the Joint Petition and which will have a material impact on Interconnect Solar. Granting this petition to intervene will not unduly broaden the issues nor prejudice any party in this case.

WHEREFORE, Interconnect Solar respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, cross-examine witnesses, present argument, and to otherwise fully participate in the proceedings.
