Mountain Air Projects, LLC petitioned to intervene in this case on July 19, 2012, after the deadline for petitioning to intervene of September 8, 2011, pursuant to Rules of Procedure 71 through 75 of the Idaho Public Utilities Commission, IDAPA 31.01.01.071-.075.

On July 23, 2012, Idaho Power Company filed an objection to Mountain Air's Petition to Intervene. On July 27, 2012, Mountain Air filed a reply to Idaho Power's objection.

FINDINGS OF FACT

We further find that based on the pleadings and other documents filed in this case, intervention by this party would serve the purposes of intervention as described by Rule 74 of the Rules of Procedure. Mountain Air is not permitted to disrupt or prejudice existing parties or unduly broaden the issues. Mountain Air agrees to be bound by the schedule already set for this case. See Order No. 32388. Consequently, we find that granting this late intervention will not prejudice any party and that late intervention should be granted. The legal brief timely filed by Mountain Air on July 20, 2012, will be considered by the Commission.

IT IS THEREFORE ORDERED that the Petition to Intervene filed by Mountain Air Projects, LLC is hereby granted.
