Dear Ms. Jewell:

**Advice No. ADV 15-02-E**

Attached for filing with the Commission is an electronic copy of Avista's proposed revisions to the following tariff sheet, I.P.U.C. No. 28:

First Revision Sheet 70-a canceling Original Sheet 70-a

The revisions to tariff sheet 70-a primarily updates the "Supply and Use of Service" section of the tariff in order to incorporate the amended Section 61-119, Idaho Code as revised by Idaho House Bill No. 185 to provide for an exception where electricity is purchased to charge batteries of electric motor vehicles. Avista has also incorporated other housekeeping changes to the proposed tariff sheet as shown on the legislative version of the tariff. Avista has requested a July 1, 2015 effective date.

Should you have any questions regarding this filing, please contact Patrick Ehrbar at 509.495.8620.

Sincerely,

A handwritten signature in black ink, appearing to read "D Meyer", with a horizontal line extending to the right.
