**RE: Tariff Advice No. 15-02
Modify Rocky Mountain Power's Rule 4, Supply and Use of Service, to comply with
implementation of H.B. 185 to provide for Electric Vehicle Battery Charging
Services**

Dear Ms. Jewell:

Rocky Mountain Power, a division of PacifiCorp, hereby transmits Tariff Advice 15-02 for filing with the Idaho Public Utilities Commission requesting authority to modify Rule 4, Supply and Use of Service. This tariff revision is intended to modify the Customer's Use of Service to comply with the amended Section 61-119, Idaho Code as revised by Idaho House Bill No. 185.

Rocky Mountain Power hereby submits a clean and legislative copy of the modified tariff sheet, below is a summary of the update and description of the changes:

First Revision of Sheet No. 4R.2 Rule 4 – Supply and Use of Service

Rule 4 is updated to allow the Company's customers to provide electric vehicle battery charging services.

The Company respectfully requests that the changes proposed to Rule 4 become effective on July 1, 2015.

If you have any questions regarding this filing, please contact Ted Weston, Manager of Idaho Regulatory Affairs, at (801) 220-2963.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation

I.P.U.C. No. 1

**First Revision of Sheet No. 4R.2
Canceling Original Sheet No. 4R.2**

1. SUPPLY OF SERVICE (continued)

(c) Unmetered Service

Service to fixed loads, with fixed periods of operation, such as street lights, traffic lights and other similar installations may, for the convenience and mutual benefit of the Customer and Company, be unmetered. The average monthly use (one-twelfth of the annual use determined by test or estimated from equipment ratings) shall be billed monthly in accordance with the applicable schedule.

2. CUSTOMER'S USE OF SERVICE

Electric service will be supplied only to those for whom the Company is the sole source of electric power and energy unless otherwise provided under an appropriate agreement. Services shall be used by Customer only for the purposes specified in the service agreement and applicable electric service schedule or schedules. The Customer shall not extend his electric facilities for service to other customers or premises except where the electricity is purchased from the Company as defined in Section 61-129, Idaho Code, for electric vehicle battery charging services as provided by order or rule of the Commission.

3. CONTINUITY OF ELECTRIC SERVICE AND INTERRUPTION (FORCE MAJEURE)

Unless otherwise specified in a service agreement, electric service is intended to be continuously available. It is inherent, however, that there will at times be some degree of failure, interruption, suspension, curtailment or fluctuations. Company does not guarantee constant or uninterrupted delivery of Electric Service and shall have no liability to its Customers or any other persons for any interruption, suspension, curtailment or fluctuation in Electric Service or for any loss or damage caused thereby if such interruption, suspension, curtailment or fluctuation results from the following:

- (a) Causes beyond Company's reasonable control including, but not limited to, accident or casualty, fire, flood, drought, wind, action of the elements, court orders, litigation, breakdown of or damage to facilities of Company or of third parties, acts of God, strikes or other labor disputes, civil, military or governmental authority, electrical disturbances originating on or transmitted through electrical systems with which Company's system is interconnected and acts or omissions of third parties.
