

participation. The Irrigators look forward to the opportunity to review and evaluate the results of the Program reported by the Company to the Commission. Thereafter, it is the desire and expectation of the Irrigators that the program could be modified as may be appropriate and instituted as a permanent program designed to be cost effective to the Company and also priced appropriately to create an incentive for participation by irrigation customers and fully and fairly compensate them for the resulting reduction in summer peak demand.

Finally, the Irrigators urge the Commission to promptly approve and implement the Program and Tariff Schedule 23, under Modified Procedure.

RESPECTFULLY SUBMITTED this 24 day of February, 2004.
