Re: In the Matter of the Application of Idaho Power Company for an Order Authorizing up to \$250,000,000 Aggregate Principal Amount at Any One Time Outstanding of Short-term Borrowings

Case No. IPC-E-04-06

Dear Ms. Jewell:

This letter is to confirm that in section (b)(4) of Idaho Power's above referenced application, the last sentence should read "In no event will any borrowing have a final maturity beyond March 31, 2006." Please incorporate this change in the order to be issued by the Commission in this case.

Thank you for your assistance. Please call me at 388-2878 if there are any questions regarding this request

Sincerely,

Patrick A. Harrington
