<hr/>		

Subsequent to filing the reply in this matter, counsel for Idaho Power informed counsel for Mr. Lewandowski and Mr. Schroeder (complainants), that it would agree to allow all complainants in both dockets an additional week to file their testimony with no other change to the proposed schedule. Thus the Commission can consolidate these cases with no change to the procedural schedule other than allowing until June 9 for pre-file direct testimony by all complainants.

U.S. Geothermal will not be prejudiced by having additional time to pre-file its direct testimony since no other date in the procedural schedule will be changed.

Respectfully submitted this 27<sup>th</sup> day of May, 2004
