OF GERALD FLEISCHMAN**

Pursuant to the Notice of Petition/Notice of Intervention Deadline/Notice of Procedural Conference in this matter issued on July 1, 2005, and pursuant to this Commission s Rules of Procedure, Rule 071 , IDAPA 31. 10. 01074, I hereby submit my Petition in the above-captioned matter.

PETITION TO INTERVENE

As an Idaho Power Company ratepayer I feel that the volatility of my future costs of electric power can be moderated though a well conceived and implemented PURPA: Public Utility Regulatory Policies Act of 1978 policy. I have a degree in mechanical engineering and an MBA and a strong interest in renewable energy resources. I also have experience working with Idaho wind developers and have participated in the IPC-05-22 workshops and would like to fully participate in future workshops and discussions.
