(2) The Intervenor owns, operates and develops wind farms and is currently in the process of developing wind farms in the western United States, including two in Idaho. The Intervenor, through a wholly owned subsidiary has bid the output of the wind farms it has under development in Idaho, specifically, the Cotterel Mountain wind farm east of Burley in Cassia

County, Idaho in response to Idaho Power Company's 2004 RFP that was issued pursuant to its most recently filed and Commission accepted Integrated Resource Plan.

(3) As a result, this Intervenor has a direct and substantial interest in this proceeding and intends to participate in all respects herein as a party as may be required to represent its interests. Intervenor's participation will also not unduly broaden the issues in this proceeding.

(4) Without the opportunity to intervene herein, this Intervenor would be without a manner or means of participating in the lawful determination of issues which are raised by Idaho Power in its Petition and which Commission determination of will affect directly and/or indirectly the development of wind farms as a generating resource for utilities in Idaho.

WHEREFORE, this Intervenor requests that this Commission confirm this Intervenor's leave to intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, cross-examine witnesses, present argument, and to otherwise fully participate in the proceedings.

DATED this 13th day of July, 2005.

Respectfully Submitted,

John R. Hammond, Jr.
