Comment_description: We have your notice of application to increase rates. Even though we are listed as large commercial with your rates (which are the lower rates), if the rates go up for the next year, we will be paying over \$1,000.00 a month in the winter time. We are already paying \$500.00 to \$600.00 per month. This is a huge raise for us! Please consider how it hurts us as a business, and keep the increase lower. Thank you for your time.
