Re: Operation Dates

Dear James:

As you have requested, the Scheduled Operation Date for the projects listed below will be established as September 1, 2010. If the projects do not achieve this revised Scheduled Operation Date as specified in each of the Firm Energy Sales Agreements, Idaho Power may ~~terminate~~ the Agreement(s) and seek legal and/or equitable recourse.

*PURSUE REMEDIES PROVIDED FOR
FECMS.*

Project Name

- | | | | |
|---|-----------------------|----|---------------|
| 1 | Burley Butte | 6 | Golden Valley |
| 2 | Oregon Trails | 7 | Lava Beds |
| 3 | Pilgrim Stage Station | 8 | Milner Dam |
| 4 | Thousand Springs | 9 | Notch Butte |
| 5 | Tuana Gulch | 10 | Salmon Falls |

By your signature below you acknowledge that the Scheduled Operation Date as set forth in Appendix B of each Firm Energy Sales Agreement for the above mentioned projects is hereby amended and changed to September 1, 2010. All other terms, conditions, and provisions of those Firm Energy Sales Agreements remain in full force and effect.

Idaho Power is providing three copies of this documentation. Please sign each copy and return all three copies to me no later than Friday, June 20, 2008, Idaho Power reserves the right to modify this document if the signed documents are not received back by this date.
