Home Telephone: 208-375-4524
E-Mail: BusinessContacts@thiswouldbeit.com
Company: Idaho Power Company
mailing_list_yes_no: yes

Comment_description: I strongly support the development of wind power in Idaho to help meet our energy needs and want to see more involvement from Idaho Power in that process. I'm aware of the Cassia Gulch Wind Park and Cassia Wind Farm project and would like to see the issues before the commission resolved without further delay so it (if the ruling is favorable) will be able to move forward.
Thanks
