On March 2, 2007, Avimor LLC filed a Petition to Intervene and a Motion Requesting Leave to File Reply Comments in Case No. IPC-E-06-23. Avimor is a party to the contract with Idaho Power Company to provide electric transmission and substation facilities to Avimor's development north of Boise. The Commission on November 1, 2006, issued a Notice of Application and Notice of Modified Procedure providing for the filing of comments. The Notice does not specifically allow reply comments.

Avimor in its Motion requests permission to file reply comments or a revised agreement with Idaho Power Company by April 2, 2007.

FINDINGS OF FACT

Avimor LLC petitioned to intervene in this case on March 2, 2007, pursuant to Rules of Procedure 71 through 75 of the Idaho Public Utilities Commission, IDAPA 31.01.01.071-.075.

We find that no party timely opposed this Petition to Intervene.

We further find that based on the pleadings and other documents filed in this case, intervention by this party would serve the purposes of intervention as described by Rule 74 of the Rules of Procedure and should be granted.

We find that granting Avimor's Motion to File Reply Comments is appropriate in order to improve the record in this case and assist the Commission in its deliberations.
