Home Telephone: 208-321-4998  
Contact E-Mail: js\_weber@hotmail.com  
Name of Utility Company: ID PWR  
Add to Mailing List: yes

Please describe your question or comment briefly:  
I would like to see the coal and nuclear generation removed from the plan. There is plenty of geothermal, hydro, wind, and solar in Idaho to supply all of our energy needs and then some. Why would we want to use imported fuel sources, not taking into account pollution from coal and waste from nuclear? See [www.EnergyAtlas.org](http://www.EnergyAtlas.org). Thank you!
