Please describe your question or comment briefly:  
I wish to comment on the proposed Sales Agreement with Magic Wind Parks LLC. I farm and ranch in the Grand View, Oreana Idaho area. Ag, industry & communities need a more abundant source of electricity. The developement of this Wind Park will add a great clean renewable source of green energy. This makes more sense than gas or coal fired palnts, it will conserve fossil fuel & clean our enviroment. This project will help reserve water flows & control in our rivers, which will help minimum stream flows. I vote 'yes' for this agreement.
