Re: Case No. IPC-E-06-31
In the Matter of the Application of Idaho Power Company for an Accounting Order Authorizing the Inclusion of Power Supply Expenses Associated With the Purchase of Capacity and Energy From Telocaset Wind Power Partners, LLC in the Company's Power Cost Adjustment

Dear Ms. Jewell:

Please find enclosed for filing an original and seven (7) copies of Idaho Power Company's Certificate of Attorney (Confidentiality of Certain Third Party Information) in the above-described case.

I would appreciate it if you would return a stamped copy of this transmittal letter to me in the enclosed self-addressed stamped envelope.

Very truly yours,

Monica B. Moen

CERTIFICATE OF ATTORNEY

CONFIDENTIALITY OF CERTAIN THIRD PARTY INFORMATION NO PUBLIC UTILITIES COMMISSION

**Power Purchase Agreement
between
Idaho Power Company and
Telocaset Wind Power Partners, LLC**

IPC-E-06-31

I, the undersigned attorney, in accordance with Idaho Public Utilities Commission Rule of Procedure 067, certify that the following information is true and that the information is protected from public disclosure on the following basis:

1. Telocaset Wind Power Partners, LLC ("Telocaset") submitted a request to Idaho Power Company ("Idaho Power" or the "Company") for interconnection of a Large Generating Facility to Idaho Power Company's transmission system ("Interconnection Request for a Large Generating Facility"). Idaho Power and Telocaset have not completed negotiations of Telocaset's Large Generator Interconnection Agreement ("LGIA").

2. Information contained in Telocaset's Interconnection Request for a Large Generating Facility and its LGIA is protected by the terms and conditions of Idaho Power's Standard Large Generator Interconnection Procedures. The terms and conditions of the Company's Standard Large Generator Interconnection Procedures governing confidentiality comply with the confidentiality requirements issued by the Federal Energy Regulatory Commission ("FERC") in Order No. 2003-A issued on March 5, 2004 and posted on Idaho Power's OASIS.

3. FERC Order No. 2003-A establishes that confidential information includes any information supplied by either party to a LGIA to the other prior to the execution of a LGIA. Idaho Code Section 9-340A sets forth that any public record exempt from disclosure by federal or state law or federal regulations to the extent specifically provided for by such law or regulation is exempt from disclosure.

4. As of the date of this Certificate, Idaho Power represents that the information contained in the Telocaset Interconnection Request for a Large Generating Facility and its LGIA are confidential as defined in FERC Order No. 2003-A and Idaho Code Section 9-340A.

DATED this 13th day of February 2007.

Monica B. Moen, Esq.
IDAHO POWER COMPANY
