Home Telephone: 208 720-2696  
Contact E-Mail: callisterrobahn@msn.com  
Name of Utility Company: Idaho Power  
Add to Mailing List: yes

Please describe your question or comment briefly:

I support Idaho Power purchasing power from wind-power producers. I also support any and all wind power generation facilities proposed to be built in Idaho. Coal power generation and hydro power generation have a critical impact, especially the emissions associated with coal power. Idaho should proactively take the lead to be one of the Country's leading producers of wind and solar power.

Thank you for the opportunity to comment.
