Commission orders and other documents should be provided to M.J. Humphries as noted above.

2. This Intervenor, the Blue Ribbon Energy LLC (B.R.E.) is an Idaho limited liability corporation registered and in good standing with the Idaho Secretary of State and doing business in Idaho. B.R.E. claims a direct and substantial interest in this proceeding in that it is a developer of wind powered generating projects as well as other types of renewable energy the output of which will be sold to the Idaho Power Company. B.R.E.'s ability to continue its business in Idaho may be affected by the outcome of this proceeding.

3. This Intervenor intends to participate herein as a party, and if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

4. Without the opportunity to intervene herein, this Intervenor would be Without any means of participation in this proceeding which may have a material impact on its continue ability to develop wind powered electric generating projects in the State of Idaho.

5. Granting this Intervenor's petition to intervene will not unduly broaden the issues nor will it prejudice any party to this case.

WHEREFORE, B.R.E., LLC, respectfully requests that this Commission grant its Petition to Intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, present argument and to otherwise fully participate in these proceedings.
