Idaho National Laboratory's (INL) Biofuels and Renewable Energy Technologies Department, pursuant to the Notice of Intervention Deadline in this matter issued on June 28, 2007, and pursuant to Rules 72 and 73 of this Commission's Rules of Procedure, IDAPA 31.01.01.072 and .073, hereby submits its Petition in the above-captioned matter.

PETITION TO INTERVENE

INL's Biofuels and Renewable Energy Technologies Department is an independent group providing resource assessment and project development information in the service territory of all three Idaho public utilities. We have been developing these resource assessments to foster wind energy under RFP's and PURPA Contracts. Therefore, INL Biofuels and Renewable Energy Technologies has direct and substantial interest in these proceedings and requests the right to intervene and to appear and participate as a party.

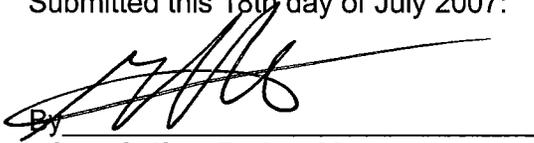

(a) Name/Address of Petitioner: INL Biofuels and Renewable Energy Technologies
 2525 S Fremont Ave
 Idaho Falls, ID 83415-3810

(b) Nature of Business: Wind Resource Assessment
