RE: COMPLIANCE FILING TO AMEND SCHEDULE 72 TARIFF
LANGUAGE; CASE NO. IPC-E-08-05.

On July 10, 2008, Idaho Power filed tariff revisions as required by Commission Order No. 30574 issued in Case No. IPC-E-08-05. The tariff being revised is Schedule 72, Interconnections to Non-Utility Generation. The revisions include new language describing the generator interconnection process, the deposit requirements for various required interconnection studies, and the security requirements for payment of interconnection costs. Staff has reviewed the filed tariff and believes it is in compliance with the previously cited Order.

STAFF RECOMMENDATION

Staff recommends Commission approval of the filed tariff with an effective date of July 15, 2008.
