RESPONDENT.) ORDER NO. 30688)

On October 16, 2008, Idaho Power filed a Petition for Declaratory Order and Formal Complaint for Breach of Contract against Glenns Ferry Cogeneration Partners, LTD (Glenns Ferry). A summons was issued by the Commission on October 21, 2008, notifying Glenns Ferry that it had 21 days to respond to Idaho Power's complaint. Idaho Power immediately began filing discovery requests. On November 10, 2008, Glenns Ferry filed with the Commission a Motion to Dismiss for Lack of Subject Matter Jurisdiction. Subsequently, on November 14, 2008, Glenns Ferry filed a Motion to Stay Discovery.

On November 24, 2008, the parties filed a joint motion regarding scheduling and discovery. The parties submit that: (1) the complex nature of the allegations and law of Glenns Ferry's claims warrant additional time for briefing; and (2) in consideration of Glenns Ferry's Motion to Dismiss, responses to discovery should be stayed until the Commission has ruled on the issue of jurisdiction.

The parties proposed the following briefing schedule:

Idaho Power response to Glenns Ferry's	
Motion to Dismiss	January 12, 2009
Glenns Ferry reply to Idaho Power's response	January 26, 2009

ORDER

IT IS HEREBY ORDERED, with good cause showing, that the schedule for the processing of Idaho Power's complaint be modified as set out above.

IT IS FURTHER ORDERED that answers by Glenns Ferry to discovery requests made by Idaho Power be stayed until such time as the Commission rules on Glenns Ferry's Motion to Dismiss for Lack of Subject Matter Jurisdiction.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 24⁺⁴ day of November 2008.
