---

On July 1, 2009, the Commission issued Order No. 30853 approving Idaho Power Company's request to modify its Rule H tariff addressing charges for installing or altering distribution lines. The Ada County Highway District, City of Nampa, Association of Canyon County Highway Districts (collectively "the Districts"), and Building Contractors Association (BCA) all filed timely Petitions for Reconsideration. On July 29, 2009, Idaho Power filed an answer to the Petitions.

On August 19, 2009, the Commission issued Interlocutory Order No. 30883 granting in part and denying in part the Petitions and establishing a schedule for the reconsideration of limited issues with dates for oral argument and technical hearing to be determined. By this Order, the Commission establishes a schedule for the Districts' oral argument and BCA's technical hearing.

**NOTICE OF HEARING FOR ORAL ARGUMENT**

YOU ARE HEREBY NOTIFIED that, given the complexity of the constitutional and jurisdictional arguments posed by the Districts on reconsideration and the Company's acknowledgement that the phrase "local improvement district" should be clarified, the Commission found it appropriate to grant reconsideration on the disputed language contained in Section 10.

YOU ARE FURTHER NOTIFIED that the Commission will convene a hearing for the Districts to **orally argue** the disputed language contained in Section 10 of Rule H on **TUESDAY, OCTOBER 13, 2009, AT 1:00 P.M. IN THE COMMISSION HEARING ROOM, 472 WEST WASHINGTON STREET, BOISE, IDAHO.**
