2. This Intervenor, the Industrial Customers of Idaho Power, (“ICIP”) is an unincorporated association of Schedule 19 customers of Idaho Power. All ICIP members receive electric utility services from Idaho Power Company. The ICIP claims a direct and substantial interest in this proceeding in that their rates for service from Idaho Power Company may be affected by the outcome of this proceeding.

3. This Intervenor, in its capacity as a representative of industrial customers intends to participate herein as a party, and if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

5. Without the opportunity to intervene herein, this Intervenor would be without any means of participation in this proceeding which may have a material impact on its electric rates and terms and conditions of service.

6. Granting this Intervenor’s petition to intervene will not unduly broaden the issues nor will it prejudice any party to this case.

WHEREFORE, the Industrial Customers of Idaho Power respectfully requests that this Commission grant its Petition to Intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, present argument and to otherwise fully participate in these proceedings.

DATED this 10th day of March 2009.
