AND NECESSITY FOR THE LANGLEY)	ORDER NO. 30831
GULCH POWER PLANT)	

Community Action Partnership Association of Idaho (CAPAI) petitioned to intervene in this case on June 1, 2009, after the deadline for petitioning to intervene of April 1, 2009, pursuant to Rules of Procedure 71 through 75 of the Idaho Public Utilities Commission, IDAPA 31.01.01.071-.075.

CAPAI commits that if it were allowed intervenor status, it would not unduly broaden the scope of the case. Furthermore, CAPAI offers the assurance that it will not file any motions or seek any relief from the Commission that would result in backtracking or stalling the progress of this case. CAPAI also assures the Commission that, if granted intervention, it will strictly adhere to all future deadlines.

FINDINGS OF FACT

We find that based on the pleadings and other documents filed in this case, intervention by this party would serve the purposes of intervention as described by Rule 74 of the Rules of Procedure. We also find that granting this late intervention will not prejudice any party and that late intervention should be granted.
