2. This Intervenor, ICIP, is an unincorporated association of Schedule 19 customers of Idaho Power Company. All ICIP members receive electric utility services from Idaho Power Company. ICIP claims a direct and substantial interest in this proceeding in that its members' rates for service from Idaho Power Company may be affected by the outcome of this proceeding.

3. This Intervenor, in its capacity as a representative of industrial customers intends to participate herein as a party, and if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

4. Although the deadline to file a petition to intervene in this matter was July 9, 2010, this Intervenor submits that granting this petition will not prejudice existing parties or unduly broaden the issues. *See* IDAPA 31.01.01.73. As of the date of the filing of this petition,

the Commission has not set a procedural schedule in this case other than the deadline for petitions to intervene, and granting this petition will not, therefore, disrupt the proceedings.

5. Without the opportunity to intervene herein, this Intervenor would be without adequate means of participation in this proceeding which may have a material impact on its electric rates and terms and conditions of service.

WHEREFORE, the Industrial Customers of Idaho Power respectfully requests that this Commission grant its Petition to Intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, present argument and to otherwise fully participate in these proceedings.
