

MEMORANDUM

TO: FILE

**FROM: KRISTINE SASSER
DEPUTY ATTORNEY GENERAL**

DATE: OCTOBER 21, 2011

**SUBJECT: COMPLAINT OF FALL RIVER RURAL ELECTRIC COOPERATIVE V.
IDAHO POWER, CASE NO. IPC-E-10-31**

On November 8, 2010, Fall River filed a formal complaint against Idaho Power Company regarding entitlement to a power purchase agreement containing published avoided cost rates. On December 2, 2010, Fall River informally requested that the Commission not issue a summons to Idaho Power as the parties have tentatively reached a settlement. On October 13, 2011, Fall River filed a Notice of Withdrawal stating that the Facility had “determined it will pursue other alternative uses for the output of its qualifying facility, and will not continue discussions with Idaho Power Company or attempt to litigate the Complaint.” Notice at 1. Consequently, this case should now be closed.
