RE: Case No. IPC-E-11-16

Dear Mr. Lobb:

This letter is in response to Idaho Power Company's Petition for Clarification and/or Reconsideration of Order No. 32368 dated October 20, 2011, regarding clarification of the term *implemented*. The Office of Energy Resources considers the term *implemented* to mean when the K-12 energy efficiency project retrofits are completed and final documentation is submitted to the Idaho Power Company for reimbursement per their program specifications.

Thank you for the opportunity to comment. If the Commission or staff has any questions, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "John Chatburn", written over a horizontal line.

John Chatburn  
Administrator
