Subject: Final Notice of Termination

Dear Mr. Webb:

Your March Energy Services Agreement invoice D0312002 in the amount of \$934,645.90 was due Wednesday, April 18th. As of the morning of April 23<sup>rd</sup>, Idaho Power Company has not received payment of this past-due amount. Per IPUC's Utility Customer Relations Rule 602, failure to pay an undisputed bill is grounds for termination of service. Hoku's energy service will be terminated on Thursday, April 26<sup>th</sup>, unless payment is received prior to that date.

An informal or formal complaint concerning this termination may be filed with the Commission. Service will not be terminated prior to the resolution of a filed complaint. Please note that if service is terminated and you wish to reconnect, a reconnection fee will be assessed, for each service connection, and all past-due amounts must be paid in full plus interest.

Regards,

Aubrae Sloan
