BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF IDAHO)	CASE-NO IPC-12-10
POWER COMPANYS CANCELLATION)	
OF THE FESA AND POSTING OF)	MOTION TO SET ORAL
LIQUIDATED DAMAGES)	ARGUMENT/ HEARING

COMES NOW, Interconnect Solar Development LLC. An Idaho limited liability Corporation , and files this motion to set hearing in accordance with the rules of procedure under 31.01.01.

Due process rights require Commission to schedule a hearing in order to fully understand Interconnects complaint.

Damages to Interconnect are accruing daily and require a expeditous timeline to limit the damages presently being incurred

Interconnect feels the issues are too complex to be fully understood in a brief, and a hearing would be helpful in the decision process.

Interconnect Solar respectfully requests a hearing in a expeditous manner seeking relief from Idaho Powers damaging behavior and business practices.
